

Sterling Urban Renewal Authority

2010 – Downtown Relocation Grant Program & Application

The Sterling Urban Renewal Authority (“SURA”) will consider applications for grant funding for businesses relocating, moving, or starting in properties within its Downtown Sub-District. The Downtown Sub-District is defined as all properties within the boundaries of Front Street, Chestnut Street, North 5th Street, Main Street, S. 3rd Street, and Beech Street. (See attached map.) A business owner or owner of property within this area may apply for a relocation grant to be spent on Approved Activities (defined below) through the Sterling Urban Renewal Authority.

To apply, please submit a completed application along with a copy of the proposed lease agreement (if applicable), detailed estimates of relocation, moving and other business expenses for review and consideration by the Sterling Urban Renewal Authority. Please note that the material cannot be returned. All work performed to a location must be done in accordance with the City of Sterling’s rules, laws, and municipal code.

The Sterling Urban Renewal Authority will review applications as they are received. Grant funds will be allocated on a first-come-first-serve basis. The Sterling Urban Renewal Authority reserves full authority to approve or disapprove each application. All decisions will be final.

All applicants understand that the Sterling Urban Renewal Authority will not incur any liability for payment for work or reimbursement until an application has been approved by the Sterling Urban Renewal Authority. In addition, the Sterling Urban Renewal Authority will not be a signatory to any contract for work and should not be relied upon for credit purposes.

Approved Activities

The use of grant funds must be approved in advance by the SURA Board and a Grant Agreement must be executed by the grantee.
